

# HTI-UC500

## 4K Integrated Soundbar

- Three-in-one design: 4K UHD camera+beamforming microphone+ full-frequency speaker
- 4K UHD: 1/2.5" UHD CMOS, 8.51MP, 4K(3840x2160)@30fps.
- Wide FOV: 121° wide FOV (110° horizontal FOV), 5x zoom.
- Built-in electric tripod head: horizontal and pitch  $\pm 15^\circ$  (range of motion).
- Built-in beamforming microphone: 6 meters pickup distance.
- Abundant Interfaces: HDMI 1.4b and USB 3.0. supported
- Bluetooth 5.0 supported.
- Easy to deploy: desktop, wall-mounted, TV/displaymounted.
- Support Auto-Framing
- Support Voice Tracking

### System Overview

The HTI-UC500 is a 4K UHD Integrated USB camera of SoundBar series, which is designed for small conference rooms with 5-8 people. This product is convenient for enterprises to flexibly carry out daily business talks and team collaboration remotely, creating relaxed, free and smooth communication and further improving work efficiency.

### Technical Specification

#### Camera

Image Sensor	1/2.5 inches, CMOS
Effective Pixels	8.51MP
Resolution	4K/30, 1080P/30, 720P/30 etc
Lens Zoom	5x zoom
Field of View	121° (DFOV), 110° (HFOV), 75° (VFOV)
Tripod Head	Mechanical PTZ (MPT) + e-PTZ(EPTZ), EPTZ: Horizontal/pitch $\pm 15^\circ$
Digital Noise Reduction	2D & 3D Digital Noise Reduction
Color System /Compression	H.264 / MJPEG /YUY2 /NV12
Backlight Compensation	Support

#### Audio

Built-in Beamforming Mic	6 meters pickup distance
--------------------------	--------------------------

### USB

Communication protocols	UVC 1.1~1.5
UVC PTZ Control	Support
Type of Connection	USB 3.0, backward compatible with USB 2.0

### Interfaces

HD Output	1 x HDMI, Version 1.4b
USB Interface	1 x USB3.0, Type C; 1 x USB2.0, Type A
Wireless	Bluetooth data communication(Bluetooth 5.0)

### Physical Features

Power Supply	DC 12V, 2A (MAX)
Dimensions	600mm*135mm*117mm
Net Weight	2.5Kg
Safety Protection	Kensington Lock
